

Extended U.S. Warranty

Ten-Year Limited Warranty on Epoxy Resin Products

PROUDLY MANUFACTURED IN THE USA

WARRANTY

Extended U.S. Warranty — 10 Years

American Epoxy Scientific ("Seller") warrants that all epoxy resin products will conform to customer's written specifications, and will be in conformance with Seller's published test results at the time of purchase, including heat resistance, chemical resistance and physical properties, and shall be free of defects in both material and workmanship for a period of ten years from the date of invoice, subject to proper storage and handling by the customer. This warranty does not include any damage incurred in shipping, installation or misuse. Seller expressly disclaims any warranty based on testing of product samples.

Within the warranty period, upon notice of warranted defect or non-conformance, Seller shall conduct an inquiry to determine the nature and source of the defect or non-conformance, and, if covered by this warranty, either replace or repair the product, at Seller's expense and option. If the inquiry involves domestic travel, all Seller's travel expense including accommodations will be paid for by Seller, unless it is determined that there is no warranted defect or non-conformance, in which case, customer shall reimburse Seller for those reasonable expenses. Notwithstanding anything to the contrary herein, all products are subject to tolerances and variations consistent with industry standards and customary manufacturing practices. This warranty does not include issues or expenses related to normal wear and tear or misuse of the product, or installation not in accordance with any installation and layout instructions provided by Seller, or use of the product in a manner for which the product was not designed or customer error or omission in provided specifications.

This warranty does not cover any expenses incurred by the customer to correct any defective product and no product shall be returned to Seller without written approval.

Customer's exclusive remedy for breach of warranty shall be limited to repair or replacement of the purchased product. Customer shall pay any and all installation, removal, and reinstallation costs incurred in effecting performance of this warranty, and Seller shall be responsible only for Seller's cost of repairing or replacing defective product.

This warranty does not cover, and Seller shall not be liable for, any incidental or consequential damages arising from a breach of this warranty, including, without limitation, customer expense, loss of use or loss of profit. This warranty only applies to the direct purchaser and cannot be assigned or benefit any third party without written consent.

The repair or replacement obligations of Seller set forth above are the customer's exclusive remedies for all contract or tort liabilities of Seller. There are no warranties, express or implied, other than as set forth above. Implied warranties of merchantability and fitness for a particular purpose are hereby disclaimed. This warranty shall be governed by the laws of the State of Arkansas.
